

Tribe innovates and invests to deliver projects with more amenities, greater control

Through its Hualapai Moving Forward program, the Tribe is delivering a transformational bundle of projects to enhance the quality of life for all Hualapai and preserve the tribe's heritage for future generations. The program includes projects for transportation, water, community recreation, tribal facilities, as well as capacity building/planning, operations, and maintenance.

BY THE NUMBERS

\$23
MILLION

grant award from the federal government specifically designated for removing dangerous railroad crossings, allowing the Tribe to design and construct the Diamond Creek Road overpass while **minimizing the impact on the General Fund**

\$16
MILLION

savings realized through innovations and efficiencies in project delivery **allowing the Tribe to invest in higher-quality project amenities** and other community benefits

286

names of Hualapai veterans honored in the new **Veterans Park** in Peach Springs

365

approximate number of days since **Rodeo Circle Park** opened, providing high quality recreation amenities meaning families don't have to drive to Kingman for activities

30+

miles of roadways transferred from the BIA to the new Hualapai Department of Transportation **increasing Tribal autonomy** to improve our roadways

1

location for many key Tribal services when the new **Tribal Administration Building** opens
